Applicant Information Kit

Denial of Employment

It is the policy of the Government not to deny employment simply because an individual has been unemployed or has had financial difficulties that have arisen through no fault of the individual. Information about an individual's employment experience will be used only to determine the person's qualifications and to assess his or her relative level of knowledge, skills, and abilities. Although an individual's personal conduct may be relevant in any employment decision, including conduct during periods of unemployment or evidence of dishonesty in handling financial matters, financial difficulty that has arisen through no fault of the individual will generally not itself be the basis of an unfavorable suitability or fitness determination.

Reasonable Accommodations

The Department of the Army provides reasonable accommodation to applicants with disabilities. If you need a reasonable accommodation for any part of the application and hiring process notify your servicing NAF HR Office. Requests for reasonable accommodation will be made on a case by case basis.

Positions Having Regular and Recurring Contact with Children

No person regardless of circumstance, will be approved to provide child care services and/or approved for hire in positions designated as having regular and recurring contact with children if the background check discloses that the individual has been **convicted** for any of the following: a sexual offense, any criminal offense involving a child victim or a felony drug charge.

Equal Opportunity Employer

The Department of Army Nonappropriated Fund Instrumentalities are an equal opportunity employer.

Background Screening Process

All individuals selected for a position will be subject to a background screening process which will include at minimum local background checks (i.e. military police, criminal investigations division, host nation law enforcement, etc.). Positions requiring an Office of Personnel Management (OPM) investigation will be subject at minimum, to a Tier 1 National Agency Check with Inquiries. This is a federal investigation including a fingerprint and/or name check against FBI and other federal agency databases, as well as an investigation into, at minimum, your residence and employment history within the past 5 years, your education and degrees obtained, the character of your military service, among other areas. In addition to the above requirements, positions in Childcare will require more extensive background checks such as State Criminal History Repository Checks. National Security positions, requiring a Tier 3 or higher investigation will have a significantly more expansive federal investigation by the OPM.

Employment of Non-US Citizens

Department of the Army Nonappropriated Funds may employ non-US Citizens under certain conditions, in certain non-sensitive positions. Within the United States, a non-US citizen must possess a valid green card and a Social Security Card with no employment restrictions.
