FY97 -FY05, RNO categories other than those displayed (i.e., codes specific to Hawaii and Puerto Rico) and missing data result in the workforce totals for its indicator being slightly lower than the workforce totals for other indicators. Beginning in FY06, ERI data is converted to RNO using OPM's bridging methodology.

Army data include US-citizen appropriated fund employees (military & civil functions). Army National Guard (Title 32) are excluded.

DOD data include Army, Navy, Air Force, & Fourth Estate (except for Defense Intelligence Agency); US-citizen appropriated fund employees. Army & Air Force National Guard (Title 32) are excluded.

Government-Wide data include all employees in OPM's Civilian Personnel Data File (CPDF). The CPDF includes only US-citizen appropriated fund employees. National Guard (Title 32) are included.

Note that the Government-Wide data includes DOD data and DOD data include Army data.

Note that the data shown are based on the inclusion and conversion of ERI to RNO categories.
