

DEPARTMENT OF THE ARMY

IS OFFICIALLY COMMENDED FOR

outstanding service in the Army Senior Executive Service since his appointment in April 2003. Throughout his career, [REDACTED] demonstrated the highest levels of initiative, competence, and selfless service in the execution of programs supporting a total force of quality Soldiers and civilians. This commitment to service reflects immense honor on [REDACTED] the Department of the Army, and the career Senior Executive Service.

March 29, 2007

A handwritten signature in black ink, appearing to read "A. L. ...".

Acting Secretary of the Army

DEPARTMENT OF THE ARMY DECORATION FOR EXCEPTIONAL CIVILIAN SERVICE

[REDACTED]

HAS RECEIVED OFFICIAL COMMENDATION
FOR EXCEPTIONAL PERFORMANCE OF DUTY

as the Director of Research and Technology, United States Army Edgewood Chemical Biological Center, United States Army Research Development and Engineering Command from April 2003 to February 2007. During this period, [REDACTED] has established himself as a national leader in the physical sciences and state-of-the-art research and technology development relating to the Chemical Biological Defense Program and the Global War on Terrorism. His wide-ranging successes in basic and applied research have had a major impact on the Soldier's ability to defend against a chemical and biological warfare attack and have been transitioned to use by first responders in the civilian sector. [REDACTED] distinguished service reflects great credit on him, the United States Army Materiel Command, and the Department of the Army.

ACTING SECRETARY OF THE ARMY
