

Civilian Expeditionary Workforce (CEW) Deployment Opportunity

“Sign Up for the Opportunity of a Lifetime”

***Safety & Occupational Health or Safety & Quality Control
Professionals
We Need You!***

Civilian Employees are needed to fill critical **Safety (Aviation Manager and Inspection)** vacancies in Afghanistan and other locations within the CENTCOM Area of Operations as a member of the Army’s CEW

Volunteering to deploy provides an extraordinary opportunity to broaden your career in addition to exercising your talents and expertise while directly supporting operations in support our National Security objectives.

Opportunity to Travel and Live Abroad, while serving and living in a variety of US and NATO bases with US and partner nation military and government colleagues.

You will earn additional benefits and pay as well while deployed; 35% differential for post and danger pay, as well as overtime compensation and other premium pay as authorized.

If you are interested in answering this call and want to apply for a deployment:

Go to <http://cpol.army.mil/library/mobil> for more information, application, your Organization Deployment CEW Coordinator or contact the Army CEW team at usarmy.Belvoir.ag1cp.mbx.army-cew@mail.mil
