MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Announcement of HQDA Selection Board Results for the Sustaining Base Leadership and Management Program (SBLM) Class 02-2 (May 20 - Aug 9, 2002)

We are pleased to announce principal selections for Class 02-2, including approved deferees by command/activity and the Career Program/Field (Enclosed). Addressees are asked to ensure that selectees, alternates and any cross serviced candidates and their Commanders, are advised of their status as soon as possible but not later than March 18, 2002. Additional information will be released by the Army Management Staff College (AMSC) staff members to all selectees, deferees and DLAMP participants on/about March 20, 2002; therefore, it is important that initial notification through command channels be accomplished on or before that date.

Class 02-2 begins Monday, May 20, 2002 and ends Friday, August 9, 2002. At the request of the AMSC Registrar, it is critical that all OCONUS selectees be advised to telephone the Registrar at 703-805-4756/57 or DSN 655-4756/57 to confirm acceptance and provide current office, fax and home telephone numbers, and office and home addresses.

Our Electronic Application Process (EAP) is currently accepting nominations for the Resident 02-3 and the Non-Resident 03 classes. The suspense date for the submission of applications is June 4, 2002. Class dates for the resident class are September 16, 2002 through December 13, 2002 and the Non-Resident program is scheduled for August 20, 2002 through July 30, 2003. Interested applicants should access the appropriate SBLM announcement in the FY02 Catalog of Army Civilian Training, Education and Professional Development Opportunities on the Civilian Personnel On-Line home page (<http://cpol.army.mil>) for a description of the course, eligibility requirements and application forms.

Point of contact is Ms. Vern Carter, 703-325-2456 (DSN 221) e-mail Vernessa.Carter@asamra.hoffman.army.mil. Interested candidates should not contact this office directly but raise any questions they may have through servicing personnel channels.

M.E. Schuler
Chief, Central Program
Operations Division
